Extended Day Program

Monsignor Clarke School offers an extended day program to all students pre-kindergarten to grade 8 supervised by faculty and staff. The morning program opens at 7:30 am. Students and /or parents enter building through main entrance to room 115. Younger students are escorted to classrooms at the start of school.

The after-school program runs from dismissal to 5:30 pm. Students are encouraged to work on homework, if applicable, before going out on the playground or participating in games, crafts, etc. Pick up is at the playground entrance. This year we are able to offer convenient affordable package options to our families.
