

Welcome to fourth grade!

Over the summer, incoming students should read one of the following books:

Flora and Ulysses by Kate DiCamillo or

Roller Girl by Victoria Jamieson.

Discussions and activities based on these two books will be conducted by Mrs. Druckman, Mrs. Wood and Mrs. Czajkowski.

Students must also read 1 other award winning book. You may choose from winners of The Newberry Award, The Parents Choice Award, The Children's Choice Award, or The Coretta Scott King Award. With such a broad range of book titles, there should be something of interest to all levels of readers.

Please complete the enclosed book report templates, the math packet, and return the first week of school.

Looking forward to a fabulous fourth grade year!!

Mrs. Wood ☺
