Directions for Custom Tiles

Color & Materials

Completely cover the paper with color minimizing white space to produce the most stunning results.

Paint, markers, oil pastels, and paper collages are all very effective.

Avoid light pencil, light crayon and fluorescent or reflective/metallic materials.

Use good quality paper such as drawing paper or card stock.

Artwork must be flat, NO 3-DIMENSIONAL ITEMS!

NO GLITTER, SALT OR SAND!

We accept only original artwork. We are unable to reproduce trademarked images such as: Sponge Bob, Mickey Mouse, etc...

KEEP IMPORTANT ELEMENTS AT LEAST 1/2" FROM THE EDGE OF THE PAPER as slight cropping may occur on some products.

We appreciate having your name and graduation year on the front of artwork.

Submit your design along with your check. Tile orders will be placed 3-4 times per year and added to the wall.
