

Monsignor Matthew F. Clarke School

2019 – 2020
Athletic Handbook

A MESSAGE FROM THE PRINCIPAL

Dear Student Athlete,

Congratulations on your interest in playing a sport - or several sports - at Monsignor Clarke Catholic Regional School! We firmly believe that athletics are an important part of the total educational process. From the ancient Greeks through modern day, the life of a young man or woman was incredibly enriched when sports and athletics were joined with academics and training for life. Athletes are expected to develop not only the skills of the sport, but also the life skills of respecting their teammates, their coaches, the officials, and the rules. Good sportsmanship is an expected outtake of this nurturing and athletic training.

When you join one of the school's athletic teams, you become a representative of the school, yourself and your family. The expectation is that all Monsignor Clarke School athletes must conduct themselves appropriately at all times so as to maintain self-respect and the esteem of those on the opposing team, and the spectators. We at Monsignor Clarke School take pride in our school teams and respect our teams as they represent us by displaying their hard work, athletic skills, fair play, and hospitality to visiting schools.

We wish you the very best as you work hard to excel in your craft. Remember that excellence comes with practice, victory may come after heartbreak and win gratefully, and lose graciously. Above all, never forget that God is always with you.

Sincerely,

Dr. Arthur W, Lisi
Principal

WORDS OF WISDOM

Watch your thoughts, for they become your words.

Watch your words, for they become your actions.

Watch your actions, for they become your habits.

Watch your habits, for they become your character.

Watch your character, for it becomes your destiny.

PLAYER'S PRAYER

Dear God,

We gather here today from different teams, but for the same reasons: to have fun, use our talents, work as a team, and play as Christian athletes. We ask You to watch over us as we play. Regardless of whether it's a great game or not, we're grateful for the opportunity to play together. We thank You for our coaches who teach and guide us; our families who support us; the referees; and our parishes and schools.

God, help us remember that You are with us in this game and always!

Amen.

MISSION STATEMENTS

Diocese of Providence

Inspired by the mission of Jesus and enlightened by the Holy Spirit, the Catholic schools of the Diocese of Providence are centers of education where students witness, share and grow in the Catholic faith community. Within a framework of Catholic Christian values, our schools strive to provide academic excellence, to nurture spiritual, physical and emotional growth and to assist students to become lifelong promoters of the Gospel message.

School Mission Statement

In partnership with parents and guardians, Monsignor Matthew F. Clarke Catholic Regional School's mission is to develop motivated students who are responsible leaders with high moral expectations, challenged academically, rooted in Catholic faith, abundant in kindness, model respect and committed to service.

Catholic Athletic League

The Catholic Athletic League is organized in order to give the children of this Diocese a place to share, grow and interact in a safe environment.

The design of the league offers all children a place to compete in a caring, nurturing environment in order to help them develop emotionally and spiritually.

Monsignor Clarke School Philosophy of Athletic Participation

The Interscholastic Athletic program at Msgr. Clarke School is an accepted and integral part of the curriculum which produces many benefits difficult to achieve in other areas of education.

Students on Interscholastic teams can often achieve greater measures of physical fitness, motor skills, and the development of sound social, emotional, and mental attitudes. The Athletic Department will strive to develop good sportsmanship, team play, a competitive spirit, and school loyalty in every athlete. Program participants will be expected to display the proper ideals of ethical conduct and fair play, and to show respect to officials, opposing teams, and fellow players. Also, the athletic program will strive to encourage a winning attitude while not losing sight of other related ideals.

The athletic program will provide instruction and encourage maximum participation in a wide variety of activities that should satisfy most of the needs and interests of the students. The health and welfare of the participants shall be the primary consideration in conducting the athletic program. Every student wishing to take advantage of the athletic program at Msgr. Clarke School should make certain that they are well aware of the rules and obligations they are assuming before deciding to try out for an athletic team. The student's first obligation is to the school team. There will be some games and practices during school vacations. All athletes are expected to make all practices and games during this time. All other conflicting sports obligations should be secondary. Also, parents should be familiar with the rules and regulations. Each student and parent should realize that participating in the school athletic program is a privilege of representing themselves and their school.

STUDENT PARTICIPANT ELIGIBILITY POLICY/FEEES

Sports Fee

In order to cover the cost of league fees, coaching and officiating costs of sports, a \$155 fee is incurred per athlete per sport. **This amount is due before participation at the first game or meet.** After the first game or meet the fee will be placed on your FACTS account.

Transportation Fee

Due to the fact that the sports fee cannot cover the complete cost of transportation we will be assessing a transportation fee of \$25 per student per sport based on the transportation needs. Fall sports that will be charged are Soccer and Cross Country (possibly tennis depending on the size of the team). No winter fee is necessary as all winter sports are held on the weekends. Spring fees will be determined.

Sports Eligibility Criteria

To be eligible to participate in the school's extra-curricular sports program, a student must have at least a 2.0 in every subject and demonstrate Christian values as reflected in the school's Core Values. This will be evaluated at every trimester grading period via progress reports and report cards. When the progress reports or report cards are released coaches will be made aware of students that have lower than 2.0 or 2.5. Additionally:

- Students who have a subject grade below a 2.5 will be put on a watch list to ensure the integrity and priority of their education. This may require weekly progress reports from teachers.
- If a student has a subject grades below a 2.0, he/she will be put on academic probation and will need to meet with their teacher(s) to come up with a plan to improve their grade. Until the teacher reports that they have brought their grade up to a at least a 2.2, they will not be eligible to participate in any competition and their practice responsibility will be at the discretion of the coaches.

Transportation Policy/Release Waiver

The Msgr. Clarke Athletic Department shall provide authorized transportation services for all student athletes and coaches to off campus practice facilities and to all away contests, based on the needs per sport.

All student athletes must travel to and from athletic events with the coach. School buses will be provided for most events. No student athlete will be allowed to ride with another driver unless written permission is given by the parents, and turned into the office to be relayed to the coach. With prior approval by the principal and/or athletic director, an athlete may return home with his/her parents.

A Transportation Release Waiver has been included in the Athletic Handbook, and should be used when athletes will not be returning back from the contest with the coach. Please submit these forms to the Main Office no later than the morning of the event. Additional Transportation Waivers may be printed from the school website, www.monsignorclarkeschool.org under the Athletics' Tab.

When carpooling we will require the use of the carpool permission slip. This available on the website and has been included in the handbook for use by the coaches and parents. Please ensure that one is filled out and returned to the coach before the day of any carpooling events.

IMPORTANT INFORMATION

If a parent is taking a student home from an event, they must identify themselves and their child to the coach and leave with them.

Students may only leave an event with the person who has been identified on the waiver.

If a student is leaving an event with another student's parent, that needs to be cleared with the coach and the Administrator before the student leaves school for the event.

Msgr. Clarke School Athletic Program Procedure for Handling Athletic Complaints

All coaches, athletes, and parents/guardians are expected to read and follow the guidelines below. In order to insure the reasonable expression of differences that can occur in athletic activities, these procedures have been developed to establish a line of communication between school, parent, athletes, and coaches when a problem arises. Msgr. Clarke Administration will review these procedures with all athletic personnel at the start of each season. Parents should remember that all Msgr. Clarke athletic staff and students are required to follow these procedures. Should need arise, parents are expected to adhere to this process as well.

Procedure:

1. No conflict between a parent, student, official, or coach should be addressed during or immediately following a game. The game site, practice field, lobby, or locker room are not appropriate places to handle conflict or disagreement.
2. Coaches are **NOT** to meet or deal with conflict at these times or places.
3. Parents should contact the Athletic Director to arrange a meeting with the coach for the following workday.
4. We ask that parents and guests respect the decisions of the coaches and officials during contests and practice. We realize that you may disagree with these decisions from time to time. In order to teach sportsmanship and fair play, we need the adults to be visible role models. Keep cheering and comments in a positive mode and encourage our athletes.

The following steps should be taken in order for a problem to be resolved:

1. If athletes have an issue with a coach, a meeting should be arranged with the coach to discuss the situation. This should always be the first step with any conflict.
2. If a further meeting is needed, the coach, athlete, and/or parent may request the meeting. This should be done through the Athletic Director. The Athletic Director will keep notes of the meeting.
3. If the conflict is still not resolved, the Athletic Director will inform the Principal of the situation and they will decide how to proceed.
