WELCOMING 2020 - 2021

Annual Fund Gift Catalog

Dear MCS Community,

There is no doubt this is going to be a unique and challenging year. The COVID pandemic has changed our lives so much, and education is being up-ended and re-imagined. I am touched every day by the dedication of our teachers, the sense of purpose from our students, and the commitment from our parents, grandparents and relatives. To continue to build on the uniqueness of South County's only Catholic elementary/middle school, we need your help.

The COVID pandemic is forcing us to start a different and unique Annual Campaign for 2020, one that will ask for your help in a myriad of ways to support teaching and learning in the face of this pandemic. Our school depends on a number of factors for help, from the PTO fundraisers to major development efforts. This year, due to the coronavirus, we won't be able to host many of our traditional events. The Annual Fund is crucial to our continued growth and success. Every gift - no matter how big or small - makes a difference. It's your participation that matters most.

Many of you have asked how you can help and we thank you. We decided to launch our Annual Campaign early in the form of a gift catalog. We've put together the school's wish list of items in this easy to view format. For your convenience, donations can be accepted electronically or mailed in by check. The digital catalog will be shared with parents, grandparents, our alum community and more! Feel free to share the link. Every gift counts!

Our school is looking for donations of Time, Talent, Treasure and Prayer. We hope you will find some way to support this campaign. We'd love to have 100% participation from our school families.

God Bless,
Dr. Arthur Lisi
Principal
