

MONSIGNOR CLARKE SCHOOL'S

PROMISE THROUGH CHALLENGE AND UNCERTAINTY

We continue to infuse our core values of FAITH, RESPECT, LEADERSHIP, SERVICE and KINDNESS throughout our school.

PRAY

PROTECT

The health and safety of our students, staff, visitors and entire community is our top priority every day.

Parents are our students' first and primary educators. We will continue to work together to be transparent and respond to the unique realities this year will bring.

PARTNER

PERSONALIZE

Our teachers and staff innovate proactively and adapt to new circumstances to help every student meet challenges and opportunities.

MONSIGNOR CLARKE SCHOOL

THE VALUE OF NOW

Monsignor Clarke School gained ground in both math and reading over the course of last Spring's distance learning. STAR assessments were performed during distance learning and we have the results to prove it!

Our school has limited class sizes and created more space so that we can safely provide "in person" learning 5 days a week.

Communication and transparency are key to a successful year. We know this will be a challenging year, but we partner with parents to form viable solutions.

Our dedicated faculty and staff are getting ready for the school year! Together with our administration, we will give you our best and show you the value of a Monsignor Clarke education.
