

## Summer Math 2021

Summer Math will consist of two tasks:

**Task 1-** Complete the 26 Minute Maths. Complete these problems on LOOSELEAF PAPER to be handed in on the first week of school. Each minute will be titled with its number (such as MINUTE 55) and the ten numbered problems with computation and answers shown. You will be graded on effort, neatness, work shown, following directions etc as shown below. There is a checklist for you to print if you choose to use it for your own records.

Incoming **6th** grade google classroom invite

Incoming **7th** grade google classroom invite

<https://classroom.google.com/c/MjkwNzU4NzA2MzQw?cjc=zadaevc>

Incoming **8th** grade google classroom invite

<https://classroom.google.com/c/MjkwNzU4NzA2MzU1?cjc=myncn2r>

**Task 2-** You will be asked to complete and update your IXL diagnostic by the end of the first week of school in the fall. Log into IXL, click the Diagnostic tab, step into the arena, answer questions until you have all six stars. If you did this early in the summer, you may need to check before you come back in the fall to make sure you are fully diagnosed.

### Grading Rubric

Summer math will be worth one first trimester test grade.

Completion of 26 minutes	26 points
Completion of IXL Diagnostic	20 points
Effort	10 points
Work Shown	10 points
Directions Followed	10 points
Neatness (label min #)	10 points
On time	10 points
Name on the packet to hand in	4 points
