

Adopt-A-Classroom Program

This program provides an opportunity for parents, grandparents, friends, relatives and members of our community to join our school family. Often time's teachers spend their own money on educational materials to enhance their classrooms or there are things they'd like to have that are not in our budget. The Adopt-A-Classroom program is a way to assist the teachers and enhance the education of our students.

Your donation goes directly to the teacher of your choice! Our goal is to have all classrooms sponsored each year. Sponsors names will be listed on a sign outside the classroom and published on our website and social media.

Please complete this form and return with your contribution, kindly make checks payable to Monsignor Clarke School.
