

Summer Math 2023

Summer Math will consist of two tasks:

Task 1- Complete the Minute Math pages 50-75. Complete these problems on LOOSELEAF PAPER to be handed in on the first week of school. Each minute needs to be titled with it's number (such as MINUTE 50) and the ten numbered problems with **computations and answers shown**. Please do not use a calculator. OR You may print all pages and do the work on the printed pages if you choose, but you must show all computations.

Use the checklist at the beginning of the minute math pdf to keep track of your progress.

Incoming **6th** grade google classroom invite
